Mr. William Loeb,
The Manchester Union Leader,
Manchester, N.H.

My dear Mr. Loeb:

First, may I thank you for your consideration in publishing my letter to the Editor?

Presently, I have enclosed two reproductions of [illegible] concerning the inadequacies in the medico-legal aspects of the Warren report on the Kennedy assassination.

Any further comment I might make would be superfluous. Use the material as you see fit.

Yours respectfully,

Juanita Thompson M.D.
